Planning application fees

There are different fees depending on the type of application you are making.

Find out how much your planning application is using the [Guide to Planning application fees \(PDF 101kb\)](#).

You need Adobe Acrobat Reader to download this document. You can download [Adobe Reader](#) for free. If you are having problems opening any of the Adobe pdf files, please see our help page.

You can also use the [fees calculator](#) and the [volume calculator](#) to help you.

How to pay

You can pay for your application in a number of ways.

- [By paying online](#). **Please note** that to make an online payment for planning fees you will need either your planning portal reference number or the planning application reference number.
- By cheque, payable to Hertsmere Borough Council. Send it with your application to our [main offices](#).
- By debit or credit card over the phone, once you have submitted your application. Telephone 020 8207 2277.
- By asking a member of our Validation Team to contact you to obtain your card details. They will then complete the transaction for you using the online facility.

If you have a question about payment or application fees, contact our Validation Team on 020 8207 2277 or by email to admin.planning@hertsmere.gov.uk
