## About our car parks

Last Modified July 22, 2019

[Share this page](#)

We have a number of car parks in our borough. In each case you must either get a ticket from the machine or [pay for parking by phone](#) anytime you park there between **Monday to Saturday between 8am and 6.30pm**. You must also display a ticket even if the parking is free.

All of our car parks are accessible 24-hours a day apart from Furzehill Road car park, Borehamwood, which is locked overnight. **On Sundays and Bank Holidays there is no charge.**

### Blue Badge Holders

**Blue badge holders** do not need to pay for parking as there is no charge, but the blue badge must be displayed clearly and the time set. While incidents within our car parks are rare, **vehicles are parked entirely at owners risk** and we accept no liability for loss or damage to vehicles or their contents however caused.

### Using our car parks

Whenever you park in our car parks please ensure:

- You display your ticket / permit clearly on the inside of your windscreen so that it can be seen
- A vehicle must hold a **valid road fund licence** (tax disc). Your parking ticket will be invalid without this.

- You park **within a marked bay**

Please note: You are not allowed to give your ticket to someone else, or receive one in return.

Our Civil Enforcement Officers regularly patrol our car parks and **you may get a fine if you do not park correctly**. Go to our [parking enforcement page](#) for more information about this.
