We consider a number of new parking schemes each year in line with guidance from our Parking Management Strategy. **You can see what new schemes are currently proposed in this section.**

Formal notices of the proposed parking schemes are advertised in local newspapers and on lamp posts in the streets concerned, as well as being available below.

You are welcome to comment on any of the proposals during the dates shown on any of our notices except for notice of variation for parking charges.

Documents giving more detailed information of each order can also be inspected at the Civic Offices in Borehamwood. If you have a general enquiry relating to any of the proposals, contact [parking.policy@hertsmere.gov.uk](mailto:parking.policy@hertsmere.gov.uk) or telephone 020 8207 2277.
