This year's community champions have been recognised for their contributions at our Civic Awards 2019/20.

The Mayor of Hertsmere, Councillor Alan Placey, has presented awards to the following individuals or groups living or working in the community, who give up their time to improve the lives and circumstances of Hertsmere residents.

The winners have each contributed to activities or initiatives which have shown a benefit to the local area and directly involved other community members or colleagues. They have worked in a voluntary capacity or carried out work which is considered over and above their normal paid employment duties.
