

Parliamentary Constituency Boundaries review

Last Modified November 07, 2019

[Share this page](#)

The Boundary Commission for England is currently conducting a review of Parliamentary constituency boundaries as a result of the Parliamentary Voting System and Constituencies Act 2011. The act aims to reduce the number of constituencies in the UK from 650 to 600 and to make more equal the number of electors in each constituency.

The proposal for the Hertsmere constituency is the inclusion of the ward of Carpenders Park from Three Rivers District Council into the existing Parliamentary boundary. All other boundaries remain the same. This [map](#) shows the proposed boundaries.

More information is provided in this [summary of the proposal for the Eastern Region](#) (which Hertsmere forms part of).

Please note these proposals only affect the Parliamentary boundary, not Hertsmere's local government boundary. The proposed inclusion of the Carpenders Park ward would mean electors here would vote for Hertsmere's Member of Parliament at a general election only, in all other respects this area would remain part of Three Rivers District Council.

The consultation on these initial proposals runs from now until 5 December 2016. Residents and interested parties can contribute during this period and you can find guidance about how to do so on the [Boundary Commission for England's website](#). The commission will also be hosting public hearings across England and the details are as follows:

Chelmsford	Civic Centre, Duke Street, Chelmsford, CM1 1JE	Monday 31 October to Tuesday 1 November 2016
Norwich	The Assembly House, Theatre Street, Norwich, NR2 1RQ	Thursday 3 to Friday 4 November 2016
Luton	Town Hall, George Street, Luton, LU1 2BQ	Monday 7 to Tuesday 8 November 2016
Cambridge	Guildhall, Market Hill, Cambridge, CB2 3QJ	Thursday 10 to Friday 11 November 2016

Hard copies of the documentation referred to on this page can be viewed at [Borehamwood Library](#), 96 Shenley Road, Borehamwood, WD6 1ED. The map showing the proposed Hertsmere constituency can also be view at the Civic Offices in Borehamwood.
