STATEMENT OF REASONS

THE HERTSMERE BOROUGH COUNCIL (KEMP PLACE OFF-STREET PARKING PLACES) ORDER 2020 (AMENDMENT No.1) ORDER 2025

Hertsmere Borough Council is intending to introduce Electric vehicle parking spaces in various car parks in the borough.

It is intended that these measures will; improve the infrastructure needed for local people to transition to electric vehicles and enable Electric vehicle drivers to charge their vehicles whilst also make the bays legally enforceable.

The proposals have been developed following consultation with Residents, Local and County Councillors representing the area, the Highway Authority, Hertfordshire Constabulary and all other statutory consultees, taking into account Section 122 of Road Traffic Regulation Act 1984.
