

Plan referred to in THE HERTSMERE TREE PRESERVATION ORDER (13 Chestnut Rise, Bushey, Herts) No 10/2005

A large, circular, highly textured black and white image, possibly a stylized flower or a dense pattern of small, repeating elements. The texture is very intricate, with many small, dark, irregular shapes packed together to form a larger, somewhat symmetrical circular form. The edges are jagged and irregular, giving it a hand-drawn or heavily etched appearance. The overall effect is one of intense detail and depth.
