The Drive	Strongly support the proposed changes. Agree it will improve road safety, but the lines need to go further / extended past number 7 The Drive. This road is the main pass through road for residents of Beech Avenue, Regents Close, Lodge Road, The Avenue, The Warren and other smaller roads. There have been several near misses and The Drive is used by pedestrians visiting Radlett Village, this should be stopped by extending the yellow line as this is a busy road.	After officer's assessment, it is recommended to extend the Double Yellow Lines past the lowered kerb of 7 The Drive
The Drive	I wholly support the proposed changes. The current manner of parking is hazardous to those turning out of Beech Avenue, to me, my visitors, delivery drivers and other motorists because of the speed and proximity of passing cars close to my driveway
