Dear Resident

**Proposed introduction of double yellow lines across access protection outside Manaton Cottage, West View Court.**

In September 2024, we consulted with residents in West View Court, Elstree, seeking their views on the proposal to introduce double yellow lines across the access to Manaton Cottage. The majority of respondents were against the proposal to introduce these yellow lines and advised that the proposal will be detrimental to the availability of parking spaces in the road.

Based on the comments received and after careful consideration of the proposal, the council has taken the decision not to pursue the parking restrictions. If you have any queries or comments, please do not hesitate to contact me.

Yours sincerely

Harry Branch  
Traffic Engineer
