Please tick which boxes apply

I write to object to the proposal to designate the paddock opposite Reveley Lodge as Local Green Space. This paddock is private land, fulfils no public function and is not even visually prominent in the urban landscape. It is only undeveloped because of the wishes of previous owners, now deceased. The only people who benefit from it remaining as open land are the few houses which back onto it and as far as I am aware, that is not a sound basis for making a planning decision – to protect a few peoples private view.

Much more important is to secure the long term future of Reveley Lodge, a priceless piece of local history, an asset to the community and a valuable educational tool. This can only be done by realising the value of the paddock.

(continue on a separate sheet/expand box if necessary)

7. Please set out as precisely as possible what change(s) you consider necessary to make the Plan

- legally compliant or
- sound (having regard to the criteria you ticked at 5 above relating to soundness).

You will need to say why this change will make the Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text.

Drop this proposal.

(continue on a separate sheet/expand box if necessary)

Please note your representation should cover succinctly all the information, evidence and supporting information necessary to support/justify the representation and the suggested change, as there will not normally be a subsequent opportunity for further submissions based on the representation you are currently making. **After this current publication stage, further submissions will only be able to be made at the Inspector's request, based on the matters and issues he/she identifies for Examination.**

8. If you do not consider the Plan to be sound and the Council is prepared to make changes to the Plan which reflect your suggested change, would you be prepared to enter into a 'Statement of Common Ground' with this Council?

Yes No

9. If your representation is seeking a modification/change to the Plan, do you consider it necessary to participate at the oral part of the Examination?

No, I do not wish to participate at the oral Examination

Yes, I wish to participate at the oral Examination

10. If you wish to participate at the oral part of the Examination, please outline why you consider this to be necessary:

(continue on a separate sheet/expand box if necessary)
